PROFILE

Motivated Computer Science Engineering student at ITER, Siksha 'O' Anusandhan (SOA) University, expected to graduate in 2028. Passionate about Software Engineering, Full Stack Web Development, and Backend Development. Hands-on experience in designing and developing web applications using Python, Django, MySQL, HTML, CSS, and JavaScript. Strong foundation in Java, C, and C++, with excellent problem-solving, communication, and teamwork skills. Seeking Software Development Engineer (SDE), Backend Developer, or Full Stack Developer internship opportunities where I can contribute, learn, and grow.
